

Calling all students, graduate students, and high school graduates enrolled in the academic year 2023/24!

Participate at the

REGINNA 4.0

Second Summer School:

Diving into high-innovation potential areas:
Entrepreneurship and Business Strategies
related to Industry 4.0 and Nanotechnology

Join us for an exciting exploration of Nanotechnologies and Industry 4.0, focused on innovation and entrepreneurship. The Summer School offers two captivating events:

1. HACKATHON (31/8/2023 – 2/9/2023): Unleash your creativity in this customized event! The top 3 groups will receive fabulous shopping vouchers for technology goods as rewards. In-person participation only.

2. A WEEK OF LECTURES (4/9/2023 – 9/9/2023): Dive into a week of enlightening lectures. Choose between in-person and online participation to suit your learning style.

Both events are completely in English! It is possible to participate in one or both events. Limited slots available for in-person participation – **Reserve your place today!**

Register here!

- **Time:** 31/8/2023 – 9/9/2023
- **Venue:** Consorzio Universitario-room S1, via Prasecco 2, Pordenone, Italy & On-line
- **Costs:** Free of charge
- **Registration due date:** Hackathon & Lectures: 30/8/2023
- **ECTS points:** Completing the hackathon and/or passing the test of the summer school will allow university students to receive an EIT-labelled certificate that might be redeemed for ECTS credits at their university.

Let's stay in touch!
